

At United Insurance, we are committed to doing the right thing ...

...for our **CUSTOMERS** by being there when you need us most with **24/7 policy and claims support** which allows us to compassionately listen and respond to your needs when it matters most to you. We believe in the simple philosophy of **service with integrity**. At United Insurance, we don't settle for status quo. **We educate ourselves beyond industry standards** to further cement our commitment to you as partners in protecting all that you hold dear.

...for our **EMPLOYEES** by valuing them as family and the heart of our success. Open communication nurtures an atmosphere of **trust, teamwork and fun** which fosters work/ life balance solutions. We encourage and invest in our employees' efforts to be **engaged life-long learners**. Through advanced certifications and professional development, we empower our employees to **think independently and creatively** to better serve our client's needs.

...by our **COMMUNITIES** through living and working in our neighborhoods. We are your coaches, board members and volunteers. We encourage our employees to **be leaders and get involved** with local community service organizations. **Helping is ingrained in our Corporate DNA**. It is our nature to give back to the communities that support us. We are your neighbors and we are committed to making our communities a better place for us all.

...by our **INSURANCE CARRIERS** through building and maintaining **strong and lasting relationships** with you. As your eyes, ears and voice to the customer, we work on the front line to **find solutions** for our customers. We focus on evolving technologically to stay at the forefront of the industry. Our Pledge is to stand side by side with you in our goal of providing the **right product at the right price** for our mutual customers.

Big enough to make a difference...
Small enough to care.
